

2011 TDX & Tanaq Corporations 638 BLM Cadastral Survey Project

Positions Available:

Field Comp. Technician
Party Chief
Instrument Person
Cook

Project Position Descriptions:

Field Computations Technician.

Field Computations Technician is required to have a minimum of five (5) year's survey/computation experience. An excellent knowledge of geodetic/state plane computations along with the ability to use Trimble Geomatics Office software for static and RTK GPS processing. An understanding of GPS surveying and the use of GPS coordinate data. Three (3) years of prior experience on BLM rectangular surveys a must. Field Computations Technician needs the ability to organize the field office inventory and track the daily field work along with equipment.

Party Chief.

The Party Chief needs a minimum of six (6) years field survey experience with a minimum of three (3) years on BLM rectangular surveys or large scale control surveys. Being registered in the State of Alaska is an advantage but not necessary. The Party Chief needs a thorough understanding of BLM procedures and needs to be capable of effectively running a two person RTK GPS survey crew. Also needs to have a good understanding of RTK GPS especially using Trimble Data collection software. Due to the physical demands of this project this person needs to be in extremely good physical and mental condition.

Instrument Person

The Instrument Person needs a minimum of four (4) years field survey experience with a minimum of three (3) years on BLM rectangular surveys or large-scale control surveys in the State of Alaska. The Instrument Person needs a thorough understanding of BLM procedures. Also needs to have a good understanding of RTK GPS especially using Trimble Data collection software. Due to the physical demands of this project this person needs to be in extremely good physical and mental condition.

Cook.

The cook will be required to have a minimum of 3 years experience cooking in remote camps. Prepared Breakfast and Dinner as hot appetizing meals and lay out a lunch table where the crews will prepare their own sandwiches. Be a capable planner and Supply Manager. References required for cooking experience.
